Whom it may concerns!

It is my pleasure to recommend Mr. Mirajuddin for master level studies in his relevant field. I have known Mirajuddin for over two years during which he worked as an Accounting Supervisor in my office.

I have been consistently impressed with Mirajuddin's attitude and productivity during the time that he has worked in the office.

He is both very bright and quite motivated. I am confident that he will devote himself to the assigned responsibilities and duties. He is a quick learner and has shown the ability to digest large volumes of information. Mr. Mirajuddin has demonstrated the ability to articulate information and ideas in both the verbal and written forms.

Please let me know if you have need for additional information about this outstanding young man.

Sincerely,
